

Gentle Hands

A HANDCRAFTED SCRIPT TYPEFACE

END USER LICENSE AGREEMENT

OVERVIEW

By purchasing and downloading Gentle Hands, you agree to the terms below. This license governs how the font files (OTF, TTF, WOFF, WOFF2) may be used. Gentle Hands remains the intellectual property of its creator; purchasing a license grants usage rights — it does not transfer ownership of the font software itself.

Two license tiers are available depending on how you plan to use the font. Choose the tier that matches your intended use. Current pricing is listed on the website where you downloaded this font.

PERSONAL LICENSE

For individual, non-commercial use — personal projects, gifts, and items not sold or used to generate income.

See [website for current pricing](#).

- Use on personal invitations, cards, and keepsakes
- Use in personal journaling, planners, and home decor projects
- Digital use for personal social media graphics (non-monetized)
- Installed on up to 3 devices owned by the licensee

COMMERCIAL LICENSE

For businesses, freelancers, and creators using Gentle Hands in work that is sold, monetized, or used to promote a brand.

See [website for current pricing](#).

- Use in client work, branding, and paid design projects
- Use on products sold in shops, on Etsy-style marketplaces, or in print (labels, packaging, signage)
- Use in logos and wordmarks for a single brand
- Use in monetized digital content (courses, templates, social media for business)
- Covers up to 2,500 unit sales / end products per year — [contact me here](#) for higher volume

WHAT YOU CAN DO

- Install the font on your own devices for design and production work
- Embed the font in finished, non-editable files (PDF, JPEG, PNG, flattened print files)
- Use the font to create graphics for print or digital products, per your license tier
- Use WOFF/WOFF2 files for website embedding on sites you own or manage, per your license tier

WHAT YOU CANNOT DO

- Resell, share, or redistribute the font files themselves, in original or modified form
- Include the raw font files in any downloadable product, template pack, or app asset bundle
- Claim authorship of the font design
- Use the font to create a competing font product
- Sublicense, rent, or lease the font files to a third party

OWNERSHIP & COPYRIGHT

Gentle Hands, including all associated glyphs, artwork, and source files, is the copyrighted property of its creator, Janet Lanier. This license grants usage rights only. All rights not expressly granted in this agreement are reserved.

SUPPORT, UPDATES & REFUNDS

- Minor updates and bug fixes to purchased weights are included at no additional cost
- Because font files are digital goods delivered instantly, all sales are final and non-refundable once download access has been granted
- Questions about licensing or usage can be directed to my [contact form](#)

Thank you for supporting handcrafted, independent type design.
